

Presumptive Eligibility for Pregnant Women: Approval

Dear

Congratulations! You have been approved for medical assistance on a temporary basis under the Presumptive Eligibility for Pregnant Women program. You can only receive Presumptive Eligibility once during your pregnancy. You must complete the application process to get ongoing medical coverage. Remember, this coverage is temporary. Follow-through with the application process is needed to ensure that you continue to receive the medical care and coverage needed.

You will receive a member ID card in a few days. Until then, use this as proof of your health coverage. Show this letter to every doctor or other medical service provider that you see. Not all services are covered.

If you have questions about medical services and providers, please contact the Customer Service Center at 1-800-766-9012. A guide describing the health benefits will be sent to you in a few days.
